

June 24, 2021 Alumni Meeting Minutes

UPDATE on old business

Bricks: Bricks will be done sometime the first of August. A few contacts have been made regarding laying the bricks.

Parade: Donna Gales has been in contact with the Band Director Association about bands for the parade. They will be getting back to her in July, It is a possibility that we could get a drum line or bugle line.

Artist: Junior and High School BETA students will be supplying the art for the art show.

NEW BUSINESS

Pay Pal Account: Vicky Raymond will be helping to set up the paypal account to use on the web site.

Miss Gideon and Junior King and Queen pageants: The Gideon Woman's Club will be hosting 3 NEW pageants which will result in a larger parade and hopefully more people attending on Saturday.

Alumni Dinner: Due to increased prices of food it was voted to raise the dinner ticket price to \$20 so that we could offer a choice of 2 meats and a wider selection of food. The menu was set: Pork Loin, Monterey Chicken, Sweet Potato Casserole, green beans, glazed carrots, garden salad and rolls. For dessert there will be sugar-free peach cobbler. Kristi Hewitt, head cook for Gideon School, has offered to make an additional dessert.

Kim Cook - **class of '76** was in attendance to start gathering information for their 50th class reunion. This will also be the 50th Anniversary of the Alumni Homecoming.

Vonda Earnheart has sent emails to several carnivals about having a few carnival rides on Saturday. She is still waiting to hear back from them.

Postcards and dinner tickets will be made and sent out in July.
